## My Dear Parents, Students and Faculty,

As we embark on a new journey through the Academic Year 2025–26, we are not only focusing on academic excellence but also fostering responsibility, empathy, and global citizenship among our students.

At S.B. Patil Public School, we firmly believe education goes beyond the classroom. It is about shaping well-rounded individuals who are prepared to tackle future challenges, contribute positively to society, and embrace diversity in all its forms.

This year, we are excited to introduce initiatives aimed at enhancing the learning experience. Our emphasis on experiential learning will continue to grow, encouraging students to engage with real-world problems and develop practical solutions. We are also expanding partnerships with local and international organisations to provide opportunities for internships, community service, and collaborative projects that connect classroom knowledge with global issues.

The upcoming year also marks the expansion of our environmental sustainability efforts. We will implement eco-friendly practices throughout the school, focusing on reducing our carbon footprint, promoting effective waste management, and inspiring students to become environmental stewards.

Through activities such as tree planting, clean-up drives, and sustainability-focused workshops, we aim to instil in our students a deep sense of environmental responsibility. I am elated to share that the school received awards and prize money for our remarkable work in sustainable initiatives, namely Roots and Shoots and Majhi Shala, Sundar Shala.

In the realm of technology, we are enhancing our digital platforms to ensure students are equipped with tools and skills needed in the digital age. Coding and digital literacy programmes will help students build critical thinking and problem-solving abilities, preparing them for the demands of an ever-evolving technological landscape.

We are also expanding our focus on mental health and well-being. Recognising the importance of emotional health in a student's development, we will introduce new counselling programmes, mindfulness sessions, and stress management workshops. A balanced, healthy mind is as vital as academic achievement, and we are committed to guiding students through the pressures of school life with care and support.

This year, we will continue to nurture leadership skills in our students. Through leadership programmes, peer mentoring, and student councils, we aim to instil responsibility, initiative, and teamwork. We want students to feel empowered to take charge of their learning, advocate for positive change, and lead by example.

Our commitment to holistic development also extends to co-curricular programmes. From music and dance to debating and drama, we are broadening extracurricular opportunities so students can explore interests, develop talents, and express themselves creatively. These activities foster confidence, collaboration, and innovation — essential qualities for shaping future leaders.

Finally, I would like to highlight the importance of resilience and adaptability in today's rapidly changing world. At our school, we view challenges as opportunities for growth, and we encourage students to embrace a mind-set of lifelong learning, perseverance, and curiosity. With this spirit, I am confident our students will thrive not only academically but also as compassionate and resilient individuals ready to make meaningful contributions to a better world.

Together with our dedicated faculty, engaged parents, and supportive community, we are setting the stage for a truly transformative academic year. I look forward to celebrating the achievements and milestones of our students as we move through this exciting and enriching journey.

Wishing you all a year filled with inspiration, growth, and success!

With the warmest and best wishes,

The journey through the past year has been a remarkable one, filled with accomplishments and milestones that have brought our school community closer together. The success of our students, faculty, and staff has been nothing short of inspiring. Together, we have created an environment where learning thrives, creativity flourishes, and everyone has the opportunity to reach their fullest potential.

One of the defining moments of the 2024–25 year was our school being awarded the Institution of Happiness by the QS I-GAUGE. ## प्रकृति

कवित्री: सुश्री जीतकौर सोढी | हिंदी भाषा अध्यापिका

कहु रही है प्रकृति, सुन और समझ लो मेरी पुकार को,  
हे बुद्धिजीवी, अपनी बुद्धि और विवेक से कुछ तो काम लो।  
क्यों पहाड़ों को हो काटते, पेड़ों को तुम क्यों गिराते हो,  
अपने आयियाने की खातिर पथु-पक्षियों के घर क्यों उजाइते हो।  
जीवन को सुगम बनाने हेतु नित नई राहें तुम बनाते जाते हो,  
पर इसके लिए मेरी बेटी-सी नदियों की राहें क्यों मोड़ देते हो।  
जल, मिट्टी और वायु की अहमियत भली-भाँति समझाते हो,  
फिर भी उन्हें दूषित करनेवाले कितने ही काम तुम करते हो।  
माँ हूँ तुम्हारी, हृदय बड़ा है मेरा, यह भी तुम अच्छे से जानते हो,  
फिर भी दिल को छलनी करने वाले क्रिया-कलाप क्यों करते हो।  
अभी भी वक्त है, संभल जाओ और मेरे क्रोध को न बढ़ने दो,  
ऐसा दिन न आए कि क्रोधाग्नि में सब कुछ तुम्हारा भस्म हो।  
इसालिए ढको, थोड़ा सोचो, समझो और संभलकर आगे बढ़ो,  
और साथ से मेरे तुम्हारे, रंग सुनहरे जीवन में सबके भरो।

## A Sojourn of the Self

by Dr. Rohit Sarkar | Media and Publishing  
Department Executive

I am a puzzle, made whole piece by piece —  
I am a changing song, yet a steady breeze.  
Each piece distinct — a heterogeneous blend —  
yet together, they make me whole from start till end.  
Every day I see, I sense, I learn, I dream;  
my life is not the slumbering sea, but an ever-flowing stream.  
Tomorrow makes me wiser than yesterday;  
I am not even what I was last year — this day.  
People and parleys, pursuits and places —  
each teach me something in life's swift paces.  
I do not need mirrors to see the reflection of me —  
my thoughts, words, and actions show who and what I'll be.  
My life is a metamorphosis — from the cradle to the grave —  
becoming the better version of me with each step I pave.  
A realist, rooted and resolute — these are things I have learned;  
but to make others smile — that is where the heart is earned.  
When my end draws nigh on this mortal sphere,  
my legacy to you all is not gold — but smiles and cheer.

## Mrs. Funnybones: A Book Review

by Khushi Kataria | IX-C

This book right here is a hilarious one. Twinkle Khanna goes through her daily life routine adding fun to it. The book highlights anecdotes and the experiences of the author regarding her family, surroundings and the way she handles them.

The characters mentioned in the book are her husband, her mother, her mother in law, her son, the house help and paparazzi. In the whole book, the author — instead of using the real names of characters — calls them by their role and a quality.

She goes through the alphabets as the chapters in the book. She has various incidents from her daily life that resonate to people. She writes it in a diary format + narration format.

She has an amazing capability to express important and crucial messages in a humorous manner. Her humorous and witty comments give this book a sarcastic touch.

It is a great read for any age group. Whenever you don't have an idea for what to read, must go for it.

## Percy Jackson and the Chalice of the Gods: Taking a Closer Look

by Naman Jain | IX-B

Percy Jackson and the Chalice of the Gods is a delightful, action-packed addition to Rick Riordan's beloved series. This latest installment is a nostalgic treat for fans, revisiting the world and characters that captivated readers in the original series.

The story follows Percy as he navigates the challenges of college applications, demigod-style. With his trademark wit and sarcasm, Percy embarks on a series of quests to secure recommendation letters from various gods. Along the way, he's joined by familiar friends, including Annabeth and Grover, making for a fun and light-hearted read.

While some fans may find the plot a bit predictable and lacking in stakes, the book's strength lies in its character development and humour. Riordan's writing is as engaging as ever, with plenty of laugh-out-loud moments and heartfelt interactions between characters.

Overall, "Percy Jackson and the Chalice of the Gods" is a must-read for fans of the series. It's a nostalgic, entertaining ride that will leave you smiling and eager for more.
