

# Celebrating the Legacy of Dr. B.R. Ambedkar

Pune, Maharashtra | 13<sup>th</sup> April, 2026

On the occasion of Ambedkar Jayanti, the Grade VI students hosted their first special assembly of the academic year in the school auditorium, led with great enthusiasm by the students of Blue House.

The assembly paid a heartfelt tribute to the life and contributions of Bharat Ratna Dr. B. R. Ambedkar. Adhiraj Kale of Grade VI G delivered an inspiring speech that traced Babasaheb's remarkable journey — from his early struggles to his pivotal role as the principal architect of the Indian Constitution.

This was followed by a short film that highlighted Dr. Ambedkar's achievements and his unwavering commitment to social justice, equality, and education. The assembly stood as a meaningful reminder of Babasaheb's enduring message: "Educate, Agitate, Organise."

Kudos to our Grade VI students and Blue House for a thoughtful and impactful beginning to the year.
