
The English Creative Writing Competition

Pune, Maharashtra | 21st October, 2026

The English Creative Writing Competition was conducted on Wednesday, 21st October, 2026, in the respective classrooms for students of Grades VI to XII. The competition aimed to nurture creativity, encourage independent thinking, and enhance students' written communication skills.

The topics were thoughtfully selected to inspire students to explore their imagination, reflect on real-life experiences, and express their perspectives on meaningful social and personal issues.

Topics for Grades VI–VIII:

- If I Could Invent a New Gadget
- The Courage to Stand Alone
- One Small Action That Changed Everything

Topics for Grades IX–XII:

- The Power of Words to Heal or Hurt
- The Difference Between Being Popular and Being Respected
- Is Freedom Possible Without Responsibility?
- Can Progress Exist Without Sacrifice?
- Are We Losing Our Ability to Think Independently?

Students were encouraged to choose any one topic from their respective grade group and express their ideas creatively, independently, and in their own words. The competition provided a platform for them to showcase their imagination, originality, critical thinking, and command of the English language.

All English Language teachers played a significant role in orienting and motivating students, guiding them to think critically, develop original ideas, and communicate their thoughts with clarity and confidence. The competition witnessed enthusiastic participation from students, reflecting their eagerness to explore ideas and express themselves through the written word.

Overall, the event was a meaningful learning experience that reinforced the importance of creativity, independent thought, and effective communication, while encouraging students to develop their voices as confident and thoughtful writers.
