

Little Hands, Divine Beginnings: The Grades I and II Ganesha Idol Making Activity

Pune, Maharashtra | 11th September, 2026

A creative and joyful Ganesha Idol Making Activity was conducted for the students of Grades I and II on 11th September, 2026. The activity was planned to help children celebrate the festival of Ganesh Chaturthi while encouraging creativity, fine motor skills, and an appreciation for Indian culture and traditions.

The activity was conducted in the respective classrooms during the 7th and 8th lectures. For Grade I: The teachers guided the students in making Lord Ganesha idols using clay. The children enthusiastically moulded the clay into different parts of the idol and assembled them creatively.

For Grade II: The teachers conducted an Origami Ganesha Idol Making Activity. Students folded and shaped colourful paper to create beautiful Ganesha idols with the guidance of their teachers.

The students participated with great enthusiasm and enjoyed expressing their creativity through the activity. At the end of the activity, the children happily carried their handmade Ganesha idols home to share their creations with their families.

The activity aimed to develop creativity and imagination among young learners, strengthen fine motor skills and hand-eye coordination through clay modelling and paper folding, and encourage students to explore and enjoy art and craft activities.

The activity was a wonderful blend of creativity, learning, and cultural awareness. The students participated enthusiastically and took pride in their handmade creations. The Grade I students enjoyed working with clay, while the Grade II students explored paper folding through origami. Taking their handmade Ganesha idols home made the experience even more meaningful and gave the children an opportunity to share their learning and creativity with their families.
