
The Grades III to V Bagless Day

Pune, Maharashtra | 12th September, 2026

Students of Grades III to V enjoyed a fun-filled and engaging Bagless Day designed to promote joyful, experiential and activity-based learning.

The day began with a creative Ganesha Making Activity, where students explored their artistic skills while learning the importance of using eco-friendly materials. Students then created colourful and innovative bookmarks, encouraging creativity and developing their love for reading.

The Brain Gym session provided an energetic break and helped students develop concentration, coordination, memory and thinking skills. The excitement continued with Movie Time, allowing students to relax, enjoy and learn through visual storytelling.

The Bagless Day provided students with opportunities to learn beyond textbooks, express themselves creatively, work with their peers and enjoy meaningful experiences in a joyful environment.
