
Honouring the Guiding Light: The Guru Purnima Celebration

Pune, Maharashtra | 29th July, 2026

The spirit of gratitude and reverence filled the school campus as the students of Grade IV Blue House presented a heartwarming Guru Purnima Special Assembly on 29th July, 2026.

The assembly began with a soulful Guru Vandana, creating a serene and devotional atmosphere while expressing heartfelt respect and gratitude towards all teachers.

This was followed by an inspiring speech that highlighted the importance of a Guru as a guide, mentor, and source of wisdom who shapes our character and enriches our lives with knowledge and values.

One of the highlights of the programme was a thought-provoking skit titled "Robot Teacher vs Real Teacher." Through this creative performance, the students conveyed that while technology and robots can provide information, they can never replace the love, care, encouragement, moral values, and emotional support offered by a real teacher.

The celebration concluded with a graceful dance performance that beautifully portrayed gratitude and the special bond between teachers and students. The vibrant performances and meaningful presentations captivated the audience and conveyed the timeless message that teachers are the true guiding lights who inspire, nurture, and empower every learner.

Our headmaster, Ms. Shubhangi Kulkarni, warmly interacted with the students and appreciated their enthusiastic performances. She encouraged them to always respect their teachers, parents, and mentors, reminding them that a Guru's guidance plays a vital role in shaping a successful and meaningful life.

The special assembly was a fitting tribute to the dedication and selfless service of teachers, leaving everyone with a renewed sense of respect and appreciation for the invaluable role of a Guru in our lives.
