Encouraging Young Artists to Express Creativity: The Sakal Drawing Competition

Pune, Maharashtra | 18th January, 2026

The Sakal Drawing Competition was successfully conducted at our school on Sunday, 18th January, 2026, providing a vibrant platform for young learners to showcase their imagination and artistic skills. Organised in association with Sakal, the competition witnessed enthusiastic participation from 110 students, reflecting a strong interest in visual expression among children.

The event was thoughtfully structured to cater to diverse age groups and creative abilities. Students were given a range of engaging and relatable themes that allowed them to draw from everyday experiences, cultural practices, and social settings. The topics included My Sweater and Woollen Cap, Our Family Car, My Pet, Rangoli Design, Election Campaign Rally, Tug of War, Ganpati Immersion Procession, and Bus Stand. Each theme encouraged students to observe their surroundings closely and translate their thoughts onto paper with originality and confidence.

The competition area was filled with colour, concentration, and quiet excitement as students immersed themselves in their artwork. From expressive depictions of family life and festivals to dynamic scenes of public spaces and sports, the entries reflected creativity, attention to detail, and a growing sense of visual storytelling.

Teachers and organisers ensured a supportive and well-organised environment, enabling students to work independently while feeling encouraged throughout the process. The event not only nurtured artistic talent but also helped students develop patience, focus, and self-expression — qualities essential for holistic development.

The Sakal Drawing Competition proved to be a meaningful and enriching experience for all participants. It reaffirmed the school's commitment to promoting co-curricular activities that allow students to explore their creative potential beyond the classroom, while fostering confidence and a lifelong appreciation for the arts.
